ROSWELL | NEW MEXICO

Roswell is the seat of Chaves County and is a leader in the aviation industry. It's the home to the Roswell Aviation Center with one of the country's longest runways. Honda, Mitsubishi, and major airlines use the airport for testing, repairing, and repurposing aircraft. Workforce training programs support the aviation and advanced manufacturing industries, and ensure a steady talent pipeline for growing companies. At the edge of oil and gas country, Roswell has the infrastructure to support major industry, including renewable energy sources and a natural recharging aquifer fed by nearby mountains. The mountains also provide endless recreational opportunities, including the ability to ski in the morning and golf in the afternoon.

ROSWELL HAS A LARGE, SKILLED LABOR POOL

Roswell boasts a workforce of 19,659 with 18,414 of that number actively employed. The availability of skilled labor both coming out of the local colleges and area commuters is one of the greatest business assets the area has to offer.

Higher Education

Roswell has been the home to New Mexico Military Institute since 1891 and has nearly 1,000 cadets.

THE ROSWELL INCIDENT

For 4 days each summer, over 150,000 tourists descend upon Roswell, transforming it into a carnival-like scene of food carts, costume contests and booths brimming with alien collectibles at the annual UFO Festival.
