TRADE AREA ANALYSIS

ALAMOGORDO | NEW MEXICO

Located in the high desert at the base of the Sacramento Mountains, Alamogordo is the perfect location. Just 15 minutes to the southwest is one of the world's great natural wonders, White Sands National Park. The glistening white sands and wave like dunes of white gypsum cover 275 square miles of the desert and are an incredible sight to see. Just past Holloman Air Force Base, on highway 70 west, start your White Sands tour at the Spanish Pueblo adobe architecture visitors center, constructed on site between 1936 and 1939. Not far from the world's largest gypsum dune field is the world's largest pistachio! The Tularosa Basin has the perfect climate for growing pistachios, pecans and grapes. There are numerous wineries and nut farms where you can enjoy delicious wine and nut tastings and beautiful views.
