SANTA FE | THE CITY DIFFERENT

The oldest capital city in the United States and the oldest city in New Mexico, Santa Fe is well-known as a center for arts that reflect the multicultural character of the region. Tourism is a major element of the Santa Fe economy, with visitors attracted year-round by the mild climate, outdoor activities and cultural events that the area offers. Most tourist activity takes place in the historic downtown, especially on and around Santa Fe Plaza, a one-block square adjacent to the Palace of the Governors, the original seat of New Mexico's territorial government during the time of Spanish colonization. Other areas include Canyon Road and "Museum Hill", the site of the major art museums of the city as well as the Santa Fe International Folk Art Market. Seasonal activities, such as skiing at nearby Santa Fe Ski Basin in the winter and hiking are also a draw for tourists.
